Terms & Conditions:

1. Payment – in full in advance. If this is not possible for any reason, please contact us to agree payment terms before placing your order.
2. Time – As searches vary between jurisdictions we are unable to set a definitive time for bankruptcy searches to be completed. We should, however, be able to advise you of a timescale at the outset of the order.
3. Information supplied – We do not verify the beneficiaries' details you supply to us at the outset and take the information as being correct.
4. Charges - If you cancel this service after instruction some or all of the fees may still be charged as service usually begins immediately on receipt.
5. Overdue Invoices – We reserve the right to charge interest on overdue invoices at 4% over the Bank of England Base Rate. Unexplained debts of 90 days or more overdue may be referred to a third party for recovery and their charges added to our invoiced amount, plus overdue interest. If you believe there will be any difficulty in paying our fees on time, we encourage you to contact us at the earliest opportunity in order to agree a revised payment schedule or other solution.
